

Los Toros

Congratulations to Delia Carolina Beltre of Los Toros!

Congratulations to our scholarship student Delia Carolina Beltre on her February 25 graduation from the National Autonomous University of Santo Domingo, UASD. Delia graduated with a degree in Medical Imaging from the School of Health Sciences at the university.

Delia researched her capstone thesis titled, “Radiological findings of hysterosalpygography in women aged 30-45,” at the San Lorenzo Hospital for Mother and Child in Santo Domingo.

Delia expresses her gratitude to the Los Toros scholarship committee and the members of St. Joseph Parish:

“Thank you very much. I thank the committee for giving me the opportunity to pursue my university dreams, and although my time at Casa San José (the student residence) is over, I am never going to forget everything I received.” - Delia.
