

Special Collection of Items Needed for Los Toros Mission

The people in Los Toros need help acquiring many of the basic items we take for granted for healthcare. You can help by donating the following items. We will take these items to Los Toros in our checked baggage on upcoming mission trips. These items will be used by the prenatal health promoters in Los Toros and the nearby village of Sajanoa, and by the nurses and other medical staff at Los Toros clinics.

Can you donate any of these NEW items? Please place them in the Los Toros bin in the Coat Room at the left side in the Gathering Space.

- New blood pressure monitors
- New twin bed sheet sets
- New fingertip oxygen monitors

These over-the-counter medicines are also needed. **These must be dropped off in the parish office.**

- Tylenol
- Ibuprofen
- Prenatal vitamins
- Pedialyte for babies (powder packets)

- Low dose aspirin 80mg

Suitcases: We can also use large, second-hand suitcases that are in good condition, with wheels and good zippers.

Thank you for your generosity.
