

Los Toros Mission

Items Needed for Los Toros Mission Trips

The people in Los Toros need help acquiring many of the basic items we take for granted for healthcare. You can help by donating the following items. We will take these items to Los Toros in our checked baggage on upcoming mission trips. **The next trip is scheduled for June 3.**

These items will be used by the prenatal health promoters in Los Toros and the nearby village of Sajanoa, and by the nurses and other medical staff at Los Toros clinics.

Can you donate any of these NEW items? Please place them **in the Los Toros bin in the Coat Room** at the left side in the Gathering Space.

- New twin bed sheet sets
- New bath towels
- Medical tape

These over-the-counter medicines are also needed.

These must be dropped off in the parish office for secure keeping.

- Tylenol
- Ibuprofen
- Prenatal vitamins
- Adult vitamins
- Children's vitamins
- Naproxen
- Pedialyte for babies (powder packets, not liquid)
- Low dose aspirin 80mg

Thank you for your generosity! Some items have been removed from this list because you have already given enough to supply for the current needs. Thank you and God Bless you!
