

I am thrilled to announce and introduce our new Business Manager for St. Joseph Parish: Lisa Jauron! Lisa will begin her role on July 1st, please join me in welcoming Lisa to the St. Joseph staff and family!

Lisa Jauron will join us as our parish Business Manager following a 20+ year career in various Corporate Finance roles with manufacturing companies in the greater Milwaukee area. Lisa earned her undergraduate degree in Accounting from the University of Notre Dame. Following graduation, she settled in Milwaukee, eventually earning her MBA from Marquette University. Both Iowa natives, she and her husband of 15 years, Justin, reside in Cedarburg, where they are parishioners at St. Francis Borgia. They are parents to Luke (7), Elizabeth (4), Joseph (18 months), and Mary (6 months). Luke and Elizabeth attend SJPS and love sharing the babies with their SJPS family.

In her spare time you can catch Lisa cheering on the Fighting Irish, counting down the days to the start of college football season, baking, running, and soaking up family time at parks, museums, and area events.

Fr. Timothy Schumaker,

St. Joseph Congregation, Parish Pastor
