

Mandy joined the staff of St. Joseph Parish in April 2026. She recently relocated from Washington State, bringing with her a lifelong commitment to ministry and service. Mandy has been involved in ministry since her junior year of high school, including traveling throughout the United States and Canada leading retreats for youth of all ages. She later lived in San Diego, California, where she served with Catholic Answers.

While in Washington, Mandy remained active in parish life by volunteering at events supporting Catholic education and leading a weekly Adoration and Praise prayer group. In her professional career, she gained extensive experience as an Office Manager, Bookkeeper, and Service Manager for a small business.

Mandy moved to Cedarburg as she prepares to receive the Sacrament of Matrimony this June. She is grateful for the opportunity to serve the parish community and looks forward to supporting its mission through her administrative skills and heart for ministry.
