Kindergarten to 5th Grade Leveled Literacy Library

"We transferred our son to SJPS as an incoming 4th grader. We are not parish members but knew of the school's good reputation from friends within the community. Our son had a seamless transition to his class and will begin 7th grade at SJPS this year. We couldn't be happier with the decision we made."

Testimonials

Valerie Buchman, SJPS parent

“SJPS is a school that weaves lessons of compassion and Christ’s love in each subject. The teachers encourage students to be engaged, and the fellow students care for one another. My children not only received a top-notch education, but the heart-lessons have prepared them to be true Christians in life. SJPS could not be a better all-around wonderful school!”

Testimonials

Lisa Cheeseman, former SJPS parent

"Whether I was here on campus or down the street at my mother's, I always felt loved and at home."
