## St. Joseph Parish School Lancer Times

Weekly online school information by Principal Matthews

# WEEKLY CLASSROOM HIGHLIGHTS By: Karen Longoria, K4 Teacher

K4 has been getting ready for their Thanksgiving Pie Party! In class, we have been learning about the first Thanksgiving and we made the cutest turkey headbands! We have also been talking about all God's blessings in our lives and created special "Thank You God" pictures. On Friday all of our K4 families joined us for our Pie Party to listen to a few Thanksgiving songs and poems that we have been practicing for the last couple of weeks. After our performance, we enjoyed some delicious pie! Happy Thanksgiving from the K4 Class!

#### **HAPPY THANKSGIVING!**

Lord, we thank you
for the goodness of our people
and for the spirit of justice
that fills this nation.
We thank you for the beauty and fullness of the
land and the challenge of the cities.
We thank you for our work and our rest,
for one another, and for our homes.
We thank you, Lord:
Accept our thanksgiving on this day.
We pray and give thanks through Jesus Christ our Lord.
Amen.

There will be no Lancer Times next week due to the Thanksgiving Holiday. The Lancer Times will resume Sunday, December 5th. SJPS Staff wish our school family a blessed Thanksgiving!

## Mary Bartelt's Reading Corner Recommendations for Thanksgiving

Do you desire to teach your children to be happy and thankful for the people and things they already have? I recommend this powerful book titled...

## <u>Gratitude is My Superpower</u> by Alicia Ortego

In this book, Little Betsy learns that it is the simple things in life that bring her happiness. With the help of a magical stone, Betsy begins to feel gratitude for her family, her friends, and even for her toys. All of a sudden, she realizes that she is feeling thankful without using her magic

stone. Little Betsy learns that gratitude is hidden in her heart. A Gratitude Journal is included to encourage appreciation of simple things, big and small. This story is filled with lovely rhymes and beautiful illustrations.

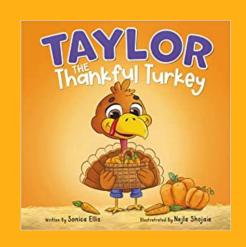

#### Taylor, The Thankful Turkey by Sonica Ellis, Nejla Shojaie Shojaie (Illustrator)

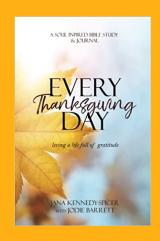

This book is suitable for very young children. This book teaches children that being grateful and thankful is *more* than just being happy for the things you have. It is about showing appreciation for others in your life. This is a positive book that teaches children that having gratitude is the best attitude and that there is *always* something to be thankful for.

## **Everyday Thanksgiving: Living a Life Full of Gratitude**

by Jana Kennedy-Spicer (Author), Jodie Barrett (Contributor)

Here is a book recommendation for adults. If you are looking for a bible study that includes scripture readings, coloring and journaling pages, and a bonus Every Day Thanksgiving Challenge Journal, then this book is for you. Thanksgiving needs to be a daily ritual of gratitude instead of just one day in November. "Giving thanks always and for everything to God the Father in the name of our Lord Jesus Christ." Ephesians 5:20

All the books cited above can be found on Amazon. Wishing Everyone a Blessed Thanksgiving with Hearts filled with Gratitude!

**Holiday Greetings, St Joseph Parish School Families!** 

I hope this note finds you and your entire family healthy and happy! I, Mr. Smith, and the students are all VERY excited to be bringing you an IN-PERSON Christmas concert in a few short weeks, on Wednesday, December 15th, at 6:30 pm in our beautiful worship space. In order for us to be comfortable putting on our BEST show for you, we have a few things that will be different from concerts of the past. We appreciate, in advance, your willingness to work together with us, the students, and staff of St Joseph Parish School, so we can all do our best to be safe, comfortable, and joyful during this Advent and Christmas Season.

- We are requesting that each family please limit attendance at the evening performance to <u>two</u> grown-ups. This will allow us to attempt at least a little bit of social distancing in our large worship space.
- To accommodate large families, especially grandparents who wish to see their grandkids perform, we are inviting guests to the FINAL DRESS REHEARSAL which will be Wednesday afternoon, December 15th, beginning at 1 pm in the Church.
- Masks are encouraged for audience members and while students are sitting close to each other in the pews. Student Performers may choose whether they wish to wear a mask while performing.
- Our students from 3K and 4K will be performing first, as they usually do. After their performance, we usually encourage families to stay for the rest of the concert. This year, after your student is done with their portion of the concert, we are open to your deciding to depart for home. Obviously, if you have other children in older grade levels, you are welcome to stay! 3K and 4K children will be seated with you after they finish performing.
- The evening performance will be both live-streamed to the Parish Youtube Channel, as well as recorded.
- No hospitality will be served after the concert this year.

These steps were chosen in hopes that ALL of our St Joseph families can have a safe, healthy holiday season. As our concert falls close to the time folks will be getting together to celebrate Jesus' birth, we want us all to get to join in that celebration. Thank you for taking these steps to show how we can LOVE ONE ANOTHER.

Mr. Andy Smith
