

MR. SHAUN KEMPF

7th Grade Instructor

A little bit about me...

My last job was teaching at a charter school located on the 452 acres of Riveredge Nature Center. My fifth grade class met in a yurt on the property, but we had the whole nature conservation to explore and learn from. It was great to have the chance to be outside regularly, but am excited at the opportunity to teach language arts at St. Joseph Parish School. It's a great chance for me to work with grade levels that I enjoy in a subject I am passionate about.

I was born, raised and still live in West Bend with my wife, Brenna, our two boys, Keegan and Bryson, and my mother-in-law, Lois. Our family also includes two dogs, Prince Penelope VonStinklebutt the Third (we just call her Penny) and Sir Bohdi-the-not-so-brave (we just call him Bohdi), three chickens, and two guinea pigs.

How do you spend your summer breaks?

Since my wife is also a teacher, we feel blessed to spend the summer traveling as a family and camping throughout the United States. Some of our favorite places to visit are national parks and I personally enjoy touring caves. Our goal is to visit all 50 states before both of our boys leave for college.

What can you cook to perfection?

I love to cook on the grill. I have three meals that are my favorite to grill. My wife's favorite is my Cornish hens. My favorite is my smoked ribs that I make. And as a family we all enjoy my rotisserie chicken.

What is your favorite part about St. Joseph Parish School?

My favorite part of St. Joseph Parish School so far is the strong community feeling that I get every day. I look forward to becoming a more integral part of the school community.
