[My Favorite Things](#)

Why did you become a teacher?

I became a teacher because I enjoyed elementary school and loved my teachers. Many of them made an impression on me, and I can honestly say that I never considered another career path.

What is special about working and teaching at St. Joseph Parish School?

The most special thing about working and teaching at St. Joseph Parish School is the fact that I can share my faith with my students. I love lighting the Advent wreath with them each day during that season and praying quietly with them. It is an especially peaceful time. I enjoy being able to share with my students how my faith has helped me through the struggles in life. It is an honor to be able to teach them that as they get older and develop their personal relationship with God, they will find that He is always there for them too.

Where are you originally from?

I was born and raised in Cedarburg. I have been a Cedarburg resident for my entire life. I grew up in the Town of Cedarburg and now live right on the Interurban Trail in the City of Cedarburg.

What are your hobbies?

I love to read and take my Cockapoo, Winnie, for long walks. I also enjoy baking and sharing it with my family and friends.

What is your favorite food and drink?

My favorite drink is Diet Dr. Pepper. I do not really have a favorite food, as far as treats go, I prefer things with milk chocolate.
