[My Favorite Things](#)

What is one of your favorite aspects of teaching 1st grade?

My favorite thing about teaching first grade is seeing the curiosity and enjoyment in each child as they begin to learn and master new material. There is no better reward for a teacher than seeing consistent academic growth from beginning to end.

What do you feel makes St. Joseph Parish School stand out from other schools?

What stood out the most to me about St. Joseph Parish School is the way everyone works together and collaborates as a team, not just the teachers and staff but the families and students as well. We are one big family, and we are always learning new and efficient ways to better ourselves and our school.

Where are you originally from?

I am originally from Germantown, WI.

What are your hobbies?

I am a teacher by day and a crafter by night. I have an ETSY shop where I sell many of the items that I make, as well as a Facebook Shop. My items consist of children and adult clothing, handcrafted items, and custom designs.

What is your favorite food and drink?

My favorite food is street tacos, and my favorite drink is an iced coffee.
