[My Favorite Things](#)

### A little bit about me...

I earned my undergraduate degree in psychology with a mental health emphasis from the University of Wisconsin-Green Bay. I then went on to receive my Master of Arts in Counseling with a school counseling emphasis from Lakeland University. I am here to help students learn and grow in their social emotional skills. I believe in a very empathetic approach, and I am looking forward to building connections with students and their families.

### What are your hobbies?

I love going to sporting events and some of my favorite teams are the Packers, Brewers, and Bucks! In my free time I enjoy cooking, reading, traveling, and taking walks with my husband and dog.
