Weekly Classroom Highlights Written by fifth grade students, Aine and Ben

Even though we do many activities in fifth grade one of our favorites is a weekly activity called, "Keep the Quote." How it works is, one of the students at the start of the week picks a quote and creates a poster with the quote on it. The quote needs to be one that the students can follow. Kindness and perseverance quotes are really great for this! During the week, the student that picked the quote watches all of the other students to see who is following the quote the best. Then, at the end of the week that student stands in front of everyone and announces who they think best followed the quote that week and that student gets to KEEP THE QUOTE! In conclusion, we love seeing a new quote each week and it's a great way to help us be better and do better.

2025-26 School Year Registration Is Now OPEN!

[Click Here to Register](#)

In order to secure your spot, the \$200 registration fee must either be sent via cash or check to the school office or paid online using credit/debit through our online giving portal. After February 15th the registration fee increases to \$250.

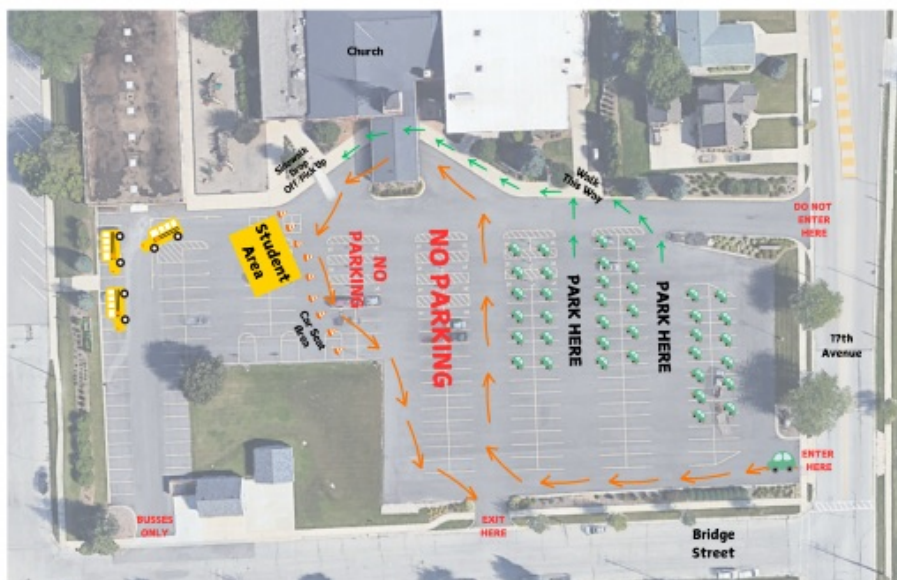

Spots in our K3, K4 and K5 programs will fill up quickly, so don't delay. Community Registration begins January 27th.

It's that time of year, for everyone's safety and sanity, to remind all families of our drop off and pick up procedures:

- Children in car seats can ONLY be dropped off or picked up using the car line option if you PULL UP to the far side of the car line alongside the cones near the basketball hoops. This way you are not blocking all of the cars behind you from getting out as you remove your child from their car seat.
- DO NOT walk through or in front of the car line to drop off or pick up your child.
- Anyone using sidewalk drop off/pick up MUST park on the FAR EAST SIDE of the parking lot and walk along the sidewalk in front of the church to drop off or pick up their child. This protects all of our children and families.

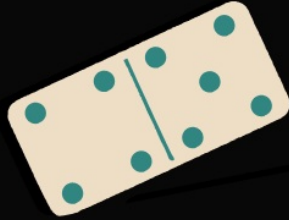

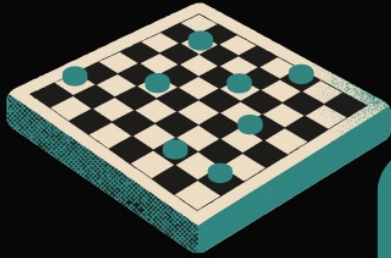

Use the route in the picture below for entering and exiting the line.
