

St. Joseph Parish School

Elementary Program

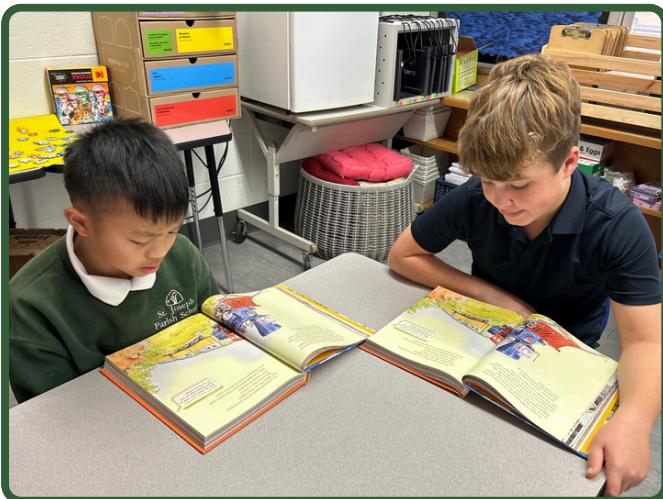

1st - 4th Grade

School Hours: 8:15am - 3:15pm

St. Joseph Parish School is Fully Accredited and follows the Archdiocese of Milwaukee Curriculum Guide and the Wisconsin Academic Standards. We have deliberately built a teaching team at the elementary level to excel at developing skill sets in students that meet enhanced educational expectations.

What Sets St. Joseph Parish School Apart?

- An individualized instruction approach tailored to accommodate the diverse learning needs of every student.
- A strong emphasis on cultivating core skills and fostering confidence in students' abilities.
- Students forge meaningful connections with their teachers and peers in a welcoming, family-oriented environment.
- Development of high-quality intrapersonal skills for effective problem-solving.
- A focus on nurturing positive social behaviors and skills.
- A low student-to-teacher ratio, enabling teachers to personalize instruction and cover material more thoroughly.
- A foundational value of Catholicism woven into all aspects of instruction.
- Opportunities to enhance public speaking and leadership skills through classroom projects and active participation in Mass and liturgical celebrations.
- Daily curriculum includes Handwriting, Technology, Art, Music, Physical Education, and Spanish.
