[My Favorite Things](#)

As a teacher and a parent of a St. Joseph Parish School student, what do you most appreciate about the school for your child's education?

As a teacher and a parent of two graduated St. Joseph Parish School students, I most appreciate the Catholic faith and values that are woven into their daily education. It is evident in the curriculum being taught that the students at St. Joseph Parish School are receiving a very well-rounded curriculum that includes living out the school mission of Teaching, Learning, Leading, and Serving as the Hands of Christ.

Why do you like teaching 2nd grade?

I LOVE teaching second grade! There are so many things I love about teaching 2nd grade, and one of the things I love most is that I am a part of their journey down the path of receiving First Reconciliation and First Eucharist. I feel very blessed that I get to travel on this journey with a new group of students each year.

Where are you originally from?

I am originally from Belgium, WI.

What are your hobbies?

My hobbies are reading, home improvement and spending time with family.

What is your favorite food and drink?
