~ A Message from The Leadership Team ~

Dear SJPS Families:

We would like to take this opportunity to thank you for your support of our recent Boots and Bling auction. **Because of the generosity of so many, the auction raised \$81,877!** We would also like to acknowledge and thank our Auction Committee. Without their countless hours spent soliciting donations, planning the event, transforming Doherty Hall and cleaning it all up afterwards, this event would not have been possible.

Kelly Osowski, Co-Chair, Kate Tretow Co-Chair, Lorraine Lochen, Stephanie Nino De Guzman, Shannon Morgan, Mary Baylor, Adam Putzer, Sharyn Kalies, Nicole Struebing, Takiyah Ball, Lauren Krombach and Brian Morgan

The annual auction and Lenten fish fries are major fundraisers for our school. As the old saying goes, "Many Hands Make Light Work." Please consider volunteering to be a part of these committees or just helping out at these events next year. Your help and support allows us to continue living our mission of "Teaching, Learning, Leading and Serving as the Hands of Christ."

On another note, we would like to share that Ms. Stengel, our art teacher, has decided to move on to a full-time position at the other school where she is currently teaching. We thank her for her years of service to SJPS and wish her well. Stay tuned as we search for her replacement.

With Gratitude and Blessings,
The SJPS Principal Leadership Team

By: Miss Jackson - Third Grade

The third graders recently completed a unit from Junior Achievement about Our City. Jennifer Johnson from Associated Bank was kind enough to volunteer her time to present five, thirty minute lessons to the third grade students. These lessons tie directly into the economics standards that are a part of the third grade social studies curriculum. The third graders had an opportunity to create their own city, play a game that teaches about spending, saving and donating money and then imagine

their future selves and what career they might like to pursue. The activities were all hands-on and enjoyed by the students.

Help Welcome NEW SJPS Families

* What is a buddy family?

Buddy families help new SJPS families feel welcomed and connected as they begin their journey at our school. As a buddy family, you'll be a friendly, go-to contact—someone they can reach out to with questions about day-to-day life at SJPS, school activities, and traditions.

* What to anticipate as a buddy family:

As a buddy family, you are asked to:

- Make initial contact with your matched family by the end of June.
- Plan a casual meet-up over the summer (playground, local event, or at your home—whatever feels comfortable)
- Reach out in August to invite them to the Welcome Back to School Picnic
- Connect again during the first quarter (at a school event or another informal get-together)

Questions: Daphne Lingsweiler at daphne.j.blader@gmail.com

* SIGN UP HERE

School families are a big part of what makes SJPS special – help share it with our newest families as they begin this chapter.
